DEPARTMENT OF STATE

Washington, D.C. 20520

MEMORANDUM

February 14, 1975

STATINTL

To: CIA - [redacted]  
From: S/CCT - Lewis Hoffacker ✓  
Subject: Request for Visit of [redacted] on  
March 5

STATINTL

We would like to ask [redacted] of CIA's Medical Division to attend the March 5 Working Group meeting for the presentation by instructors of the FBI Academy in Quantico, Virginia. We have asked members of State Department's Medical Division to attend this session as well so that the widest pertinent audience can be obtained for their presentation on barricade and hostage situations.

STATINTL

STATINTL

If [redacted] is available for the rest of that afternoon, Dr. William Watson of State's Medical Division would like to invite him to participate in discussions about the use of behavioral science techniques during terrorist incidents. Dr. Watson is chairman of the Behavioral Science Resource Group, which should be formalized soon.
